

Council Camporee District Pin Design Contest #BlastOffDAC

2019 is the Year of the Pin! The Council Camporee will be a hot-bed of pin trading, and we want YOU to help design the official District Pins that will be provided to everyone that attends! Each scout that attends will receive two of their district pins—one to keep and one to trade. So ... we need awesome pins for an awesome event!

YOUR CHALLENGE: Design a pin that captures the spirit of #BlastOffDAC, your District, and Scouts BSA

To Enter

- This contest is open to all youth scouts in the Denver Area Council—Cub Scouts, Scouts BSA, and Venturing.
- Design an awesome pin - you can use computer, pen-and-ink, crayon, whatever!
- Scan or export your design as a high-resolution PDF, JPG, or PNG file.
- All file submissions must be under 10 MB.
- Send your design to blastoffdac@scouting.org—use the subject line “Camporee Pin Contest” Include your name, age, home unit type and number (pack, troop, or crew), and home district.
- All submissions must be received by March 31, 2019

PIN DESIGN TIPS

- When you create something, aren't you proud of the time and hard work you put into making it? You've created something original and would most likely be upset if someone copied your work without your permission. Please do not submit pin designs that include the likeness or emulation of any trademarked or copyrighted material including, but not limited to, parodies of copyrighted characters.
- Your pin should represent your District, and include #BlastOffDAC and a BSA Fleur-de-lis
- You can make your pin as colorful as you like, but the final design may use fewer colors for production purposes.
- Your pin design doesn't need to be confined to a standard shape, and you may submit your design in any size. However, when we produce the winning pins, we will scale the design so the largest edge is no larger than 1.5 inches in length.
- We will attempt to make the pin match the winning design, but adjustments may need to be made for production purposes. Detail on large drawings may not appear on the scaled down 1.5 inch pin

All submissions must be received by March 31, 2019. Winners will be announced at the 2019 Scout Show in April.

Winning entries will receive a full set of Camporee Patch and Pins, one winner per District. Questions? Contact Jason Pettis at jason.pettis@scouting.org
