Rotarians spread cheer

Submitted by Broomfield
Rotary Club
Tuesday, Feb. 17, 2009

At the conclusion of the Colorado Garden and Home show last weekend many Denver-area Rotary Clubs came together and with the help of several Boy Scout Troops, a soccer club and an Interact Chapter and gathered all of the flowering plants that were in good shape. The purpose of this effort was to place the flowers in the hands of seniors throughout the greater Denver area. This year, about 8,200 flowers were gathered and distributed.

In Broomfield, the Rotary Club distributed 235 plants to the residents of Maryel Manor; Salvation Army's Silver Crest, the Broomfield Senior Center, Meals on Wheels and the Broomfield Skilled Nurs-

ing Facility.

The Rotary Club is looking for more sites that would be interested in receiving flowers for seniors next year at the

conclusion of the Colorado Garden and Home Show. For additional information, call Rotarian Gerry Case at 303-618-0104.
