

FALL CLEAN UP EVENT

Volunteer Application

The Thornton Fall Clean-up event is an event in which community members rake leaves, trim shrubs, and clean the yards of older, disabled or chronically ill Thornton residents. The event is hosted in collaboration between the City of Thornton and The Senior Hub and lunch is provided by Keep Thornton Beautiful. Volunteers are essential to the event's success as homeowners would otherwise not have the physical means to clean their yards on their own. For this event, we are seeking teams of five or more. Volunteers younger than 17 must have parental/guardian supervision.

All volunteers need to meet at The Senior Hub (2360 West 90th Avenue Federal Heights 80260) at 8 a.m. the morning of the event. Teams will receive the address(es) and directions to the home(s) of the senior(s) assigned to their teams. Tools and supplies will be provided to the volunteers. Please bring your work gloves, water bottle, and sunscreen to the event. Also, dress appropriately for yard work and in layers as October temperatures can vary throughout the day.
