

*** NOTE VEHICLE USE POLICY CHANGES ***

At PVSR, roads also serve as some of our main trails for pedestrians and bicyclists at camp. Increased vehicle traffic adds unnecessary risk to our campers. Changing road conditions due to rain increases that risk dramatically. The PVSR Vehicle Use Policy was updated to address these concerns and will be strictly enforced by senior camp staff. Please ensure that all of your adult leaders and parents who may visit PVSR are aware of and comply with the new vehicle use policy.

ONLY THE FOLLOWING VEHICLES ARE AUTHORIZED TO USE INTERIOR ROADS WITHIN THE THREE PVSR CAMPS (Camp Cris Dobbins, Camp Cortlandt Dietler and Magness Adventure Camp):

1. Emergency vehicles;
2. Denver Area Council owned and operated vehicles;
3. Olkjer Land and Cattle owned and operated vehicles and equipment;
4. Commercial services and delivery vehicles; and
5. Private commercial motor coaches during check-in and check-out days.

No camper or visitor vehicles are allowed beyond the Camp Dobbins HQ parking lot, the Camp Dietler Commissary parking lot, or the Magness shelter parking lots at any time. Exceptions:

1. During check-in or check-out, one vehicle per unit towing a troop trailer is authorized to drive to the interior camp roads to drop the trailer at the designated area at their assigned campsite. PVSR camp vehicles will transport gear to assigned campsites for units without a troop trailer. Adult leaders rotating throughout the week are not allowed to drive to the unit's campsite. They should plan to hike their gear between their vehicle and the campsite. Plan accordingly.
2. If a *Scout* has special mobility needs, a driving permit can be obtained from the camp medic to drive the *individual Scout* around camp as necessary. *A state issued handicap placard or a doctor's note must be provided in order to receive a permit.* Vehicles with a permit for a mobility need may only be used for the Scout(s) with that need. A second adult may accompany the driver as necessary for YPT compliance.

The following rules apply to all drivers and vehicles using PVSR roads:

1. Drivers of vehicles must be at least 18 years of age with a valid driver's license.
2. Each occupant of a vehicle must have and wear a seat belt.
3. Vehicles must stay on roadways and durable surfaces.
4. Parking is permitted in designated parking areas only.
5. Adhere to posted speed limits and use caution at all times.
6. RV trailers, slide-in campers and motor homes are not permitted for use at PVSR. We do not have electrical or water hookups, or waste dumping stations.
7. Riding in the bed of a pickup or on trailers is prohibited (*Guide to Safe Scouting*).

A Scout is Obedient. We take the safety of our campers and staff very seriously. Driving at PVSR is a privilege, not a right. Failure to comply with the vehicle use policies will result in the following fines:

1st Offense: \$25

2nd Offense: \$75

3rd Offense: \$200 and dismissal from PVSR. Driver information will be forwarded to the unit's Council Scout Executive and Charter Organization for determination of further disciplinary action.
