## Powder Horn Course

### Scheduled for August, 2017

## What is Powder Horn Training?

Powder Horn is a training opportunity designed to expose the Venturing, Varsity or Boy Scout leader to activities and resources necessary to operate a successful Venturing Ranger Award or Troop High Adventure program in several ways:

- Help Venturing Leaders and Scouters to safely conduct outdoor activities of a fun and challenging nature.
- Provides an introduction to the resources necessary to successfully lead their Venturers and older Boy Scouts through a program of high adventure.
- Familiarizes the Advisor with the Ranger program so that he or she can help the Venturer to meet the requirements of the Ranger Award.
- This course is based on the Venturing Ranger requirements giving participants an exposure to outdoor/high adventure activities.

This is NOT a total training or certifying course. It is meant to give the participants an opportunity to try the activity and learn how to provide it in your own program.

**Cost:** \$250.00 per person – a \$50.00 non-refundable deposit is required at registration.

**Plan on attending both weekends:** August 11, 12 & 13 at Peaceful Valley Scout Ranch -AND- August 18, 19 & 20, 2017 at Tahosa High Adventure Base, as this is a six day course. There will be snacks available on Friday evenings.

You can register by going to the Denver Area Council Calendar.
