

# Welding Merit Badge

Brought to you by:

GENERAL AIR

## Calling all scouts...

Come experience hands-on welding and earn a Welding Merit Badge. Read below for information regarding registration and class materials so that you can “Be Prepared”. It is imperative that you complete the required reading ahead of time so that you can get the most from this experience.

Parents are welcome! We are still looking for volunteers to assist with this training program. Please contact Joe or Jim to get more information about joining this team!

### Registration

<http://www.generalair.com/communityoutreach.aspx>

*Class fee due at time of registration - \$10.00*

### 2013 Class Schedule

<u>Dates</u>	<u>Time</u>	<u>Location</u>
October 5	12:30pm - 4:30pm	
November 2		
December 7		General Air Service & Supply 1105 Zuni St. Denver, CO 80204

*\*Schedule subject to change*

### Contact

If you have questions about enrolling a scout or would like to become an adult volunteer, please contact Jim Cade - call: (720) 206-5064 -or- email: [jcade@sd27j.org](mailto:jcade@sd27j.org)

### Class Materials

- Purchase and read Merit Badge Welding Pamphlet (visit your local scout shop or [www.scoutstuff.org](http://www.scoutstuff.org), item #613561)
- Wear appropriate attire, which includes: long pants without holes, and leather workboots. DO NOT wear tennis shoes or athletic sneakers (see safety section of pamphlet for additional information).
- Print and read an MSDS sheet found at <http://wso.GeneralAir.com/MSDS/LEW51.pdf>
