Guidelines for Off Season Camping

- YOU MUST CHECK IN WITH THE RANGER UPON ARRIVAL!!** The Ranger will direct you to the Campmaster or your camping site. Before you leave camp, you must check out with the Ranger or the Campmaster.
- Starting on January 1, 2014, units will be able to make off season reservations online.** Or you contact the Camping Department at 303-455-5522 x2111 for additional off season camping information at Tahosa or Peaceful Valley. We encourage visitors to pay their camp fees at the time of reservation. A minimum deposit of 50% of the total fee is required when the reservation is made. A reservation is tentative until the camp fee is paid in full. Tentative reservations can be replaced or removed by the Denver Area Council at any time.
- Refund Policy**—Full refunds will be available if the roads are closed due to weather. Cancellations made 14 days prior are refundable minus a \$10 service fee. Groups that do not attend camp on their reserved date and do not cancel their reservation 14 days prior to the reserved date are required to pay the full camp fee.
- You may request specific campsites and lodges, but requests will be filled on a first come, first served basis. The Camping Department and the Ranger ultimately decide on campsite and facility assignment. Refunds will not be issued for groups that do not receive specific requests.
- Groups coming to camp must provide adequate adult leadership (at least 2 adults) and must adhere to the guidelines set forth by the *Guide to Safe Scouting*.
- Contact the Ranger or the Campmaster for all emergencies. **DO NOT CALL 911!!**
- There are no open fires allowed at any time.** Cooking may be done by charcoal (depending on fire ban) or by liquid fueled stoves (propane or white gas).
- Latrines and picnic tables are available at the campsites. Each campsite will hold up to 40 people. Water is available at the camp, but not at the campsites.
- Low impact camping is encouraged. You must pack out everything that you bring to camp, including trash. All vehicles are to remain on the roads or the parking areas—there are no vehicles allowed in the campsites. **No pets, fireworks, firearms, illegal drugs or alcoholic beverages are allowed at camp at any time. There is no smoking allowed in the buildings or tents.**

Facilities Which Require Certifications

Silver, Kiewit or Tumblesom Lakes—The lakes are available for fishing or boating. The group must provide an adult Water Safety Instructor who is BSA certified and Council approved. The certified adult must bring current proof of their certification with them when they come to camp. The group must provide their own watercraft, PFDs and oars or paddles.

Shooting Sports Facilities—The group must provide BSA certified and Council approved Range Instructors. The certified Range Instructor must bring current proof of their certification with them when they come to camp. There are fees charged for the use of all ranges.

Rock Climbing—The group must provide BSA certified and Council approved Climbing Instructors. The certified Climbing Instructor must bring current proof of their certification with them when they come to camp.
