Allergies and special diets are a common concern of our campers. Our food service providers are experienced with accommodating most diets, including food allergies, religious restrictions, and other health-related diets. We are happy to accommodate any diet for religious, medical or allergy needs; however, this form must be submitted **at least three weeks prior to arrival at camp**. Please complete and submit this form to Jara Bauer, Registered Dietitian for Kandle Dining Services at jara@kandedining.com. Fax number 859.356.4747.

Because we eat cafeteria style and offer self-serve bars, it is the camp’s expectation that by sending your Scout to camp, you are asserting that your child has the necessary knowledge of their diet, and can manage their food choices. Camp cannot guarantee your child will not come in contact with foods he may be allergic to, or to other allergens. If your child has a severe allergy or dietary restriction, contact the camp directors (contact information at www.BSAColoradoAdventure.org/campstaff) to discuss if camp is properly equipped to manage your child’s needs. While we work to meet all dietary requirements, food is prepared in an area with milk, egg, peanut, tree nut, wheat, soy, and fish, and cross-contamination can occur.

Upon arrival at camp, and prior to the first meal eaten, it is the Scout’s or adult’s responsibility to identify themselves to our kitchen staff, then cooperate in helping us meet their need(s).

Please identify and describe dietary restrictions in the space below.
