

**TAHOSA ON ICE
ICE FISHING DERBIES
February 16, 2019
or
March 16, 2019
(ice conditions permitting)
8:00 a.m. – 12:00 p.m.**

Tahosa High Adventure Base is warming up for its first two ice fishing derbies. Come catch feisty brook trout in the pristine mountain lake, set in the backdrop of snow-shrouded mountains and forests.

- Regionally famous professional fishing guide, Austin Parr will join us to help target the hot spots and instruct newcomers to “hard water” fishing.
- Catch and release will be in effect, but Scouts working on the Fishing Merit Badge can keep and clean one fish (bring a large Ziplock bag to take the fish home). A merit badge counselor will be on hand to provide the blue card and sign off on any other completed work.
- Fee to fish is \$5.00. Rod rental is \$5.00 and is payable at camp. Fee includes auger, free bait, the Scout Trout Recipe and a 10% discount at Discount Fishing Tackle on Santa Fe Drive. Limited to 35 participants.
- Bringing your own gear? You will need your ice rod; 1/64 to 1/32 ounce Ratso, Rat Finkie, or fluorescent green/white jigs; wax worms; optional tip-up. Rag to wipe and dry your hands.
- Dress warm. Sunglasses and water-resistant and skid resistant footwear are helpful.
