Area scouts honor veterans

On Saturday, May 23, the American Legion Dane R. Balcon Post 2008 and local Boy and Cub Scout Troops 228, 231, and 159 placed flags on veteran's graves at the Eastonville Cemetery to honor the veteran's service to our country. The flags remained at the cemetery through Memorial Day. This is the second time Post 2008 has placed flags at the cemetery and plan to continue this tradition every Veterans and Memorial Day. In the past a Colorado Springs VFW placed flags on the graves. The Falcon American Legion Post decided to take on the responsibility of this event as part of it's continuing community involvement. Historically, the American Legion and the Boy Scouts have a long standing working reputation and both local organizations plan to continue their working relationship to better the Falcon community, If you are interested in joining the American Legion, their meetings are on the fourth Thursday of each month at 7:00 p.m. in the Falcon Fire Department. For information about joining Woodmen Hills Cub Scout Pack 159, please contact Jessica Morse at 886-4865.
