**SCOUT OATH**

On my honor I will do my best
To do my duty to God and my country
and to obey the Scout Law;
To help other people at all times;
To keep myself physically strong,
mentally awake, and morally straight.

---

**SCOUT LAW**

A Scout is Trustworthy, Loyal,
Helpful, Friendly, Courteous, Kind,
Obedient, Cheerful, Thrifty, Brave,
Clean, and Reverent.
BUILD AN ADVENTURE

Scouts do stuff. They build things. Play with purpose. Make friends and work together. Set goals and achieve them. They go places. Physically. Mentally. Spiritually. These life-changing experiences — and the confidence they provided — form a foundation a Scout can stand on to embrace opportunity and overcome obstacles in life.

For the parents watching in awe, it’s not a question of where their Scout will go, but where won’t they go. Scouting helps parents make the most of the little time they have to impact the lives of their children. Scouting gives parents the gift of seeing their children reach their full potential by challenging them in ways they may not otherwise experience.

BENEFITS OF SCOUTING

Scouting provides experiences that help prepare youth for their future. Scouting helps youth develop academic skills, self-confidence, ethics, leadership skills, and citizenship skills that influence their adult lives.

Scouting fosters the spirit of discovery for future innovators and leaders by investing in new and relevant programs such as STEM (science, technology, engineering, and mathematics). These programs also provide youth with a platform to learn important skills that will help them combat major societal concerns.

Scouting provides youth with programs and activities that allow them the opportunity to:

TRY NEW THINGS
PROVIDE SERVICE TO OTHERS
BUILD SELF-CONFIDENCE
REINFORCE ETHICAL DECISION MAKING

WHO IS ETHAN?

Cub Scouts will get to know a new member of the cub scout team - Ethan!

Ethan is a Cub Scout who will guide Scouts through each rank in the new Cub Scout program. He’ll appear in each adventure in their handbooks, and he will always be a year older and one rank ahead of the Scouts. As Cub Scouts learn a new skill, they’ll look to Ethan for encouragement, helpful tips, funny stories, and even some mistakes he’s made (and learned from) along the way. Ethan might not be perfect, but he does his best and has a great time with his Scouting friends.

Boys can aspire to the increasingly exciting adventures Ethan is going on with his den - as Tiger in the Lion handbook, as Wolf in the Tiger handbook, as Bear in the Wolf handbook, and as a Webelos Scout in the Bear handbook. And as they work toward their Webelos and Arrow of Light ranks, they will catch glimpses of the fun awaiting them as they transition to Boy Scouts.

Look for more on Ethan on the program updates page: CUBSCOUTS.ORG
Cub Scouting is the foundation of our organization. And while it is designed for boys in kindergarten through fifth grades, this program really involves the whole family as parents pitch in to plan and deliver activities. Cub Scouting is affirmative and fun focused. There are currently 1.3 million Cub Scouts and 395,000 adult volunteers in the United States.

While our programs are fun and exciting for youth, they also teach life lessons centered on the four pillars of scouting.

CUB SCOUT  SECOND – FIFTH GRADE

Cub Scouts is a family centered program for boys and adults

• Your son is a member of a den which:
  - Has five to nine boys
  - Meets two times each month in den meetings
  - Has one outing / “field trip” a month
- Is led by a Den Leader (usually a parent), who is assisted by an Assistant Den Leader

  - The pack meeting is led by the Cubmaster
  - The pack meeting is the climax of the month’s den meetings and activities

Our pack is run by the Pack Committee

- Made up of den leaders, pack leaders, the pack trainer, and parents
- The committee meets once a month or more often if needed
- Led by the Committee Chairman
- The committee selects leadership, finds meeting places, performs record keeping, manages pack finances, orders badges, maintains pack equipment, helps train leaders, recognizes leaders, and plans activities
BOBCAT

All boys earn the Bobcat badge first, by learning the Scout Oath and Law, handshake, salute, sign, motto, and the meaning of “Webelos.” After receiving the Bobcat badge, the boys work on requirements based on their grade level. With a parent or guardian, all Bobcat’s complete the exercises in the pamphlet. How to Protect Your Children From Child Abuse: A Parent’s Guide-Bobcat Requirements.

LION KINDERGARTEN

Lions have fun learning to do things themselves by exploring and completing adventures that move them ahead towards their Lion rank. A Lion den meets two times each month. The Lion badge is earned by completing five adventures. The Lion’s adult parent or guardian participates the whole time, but the recognition items are only for the Scouts. Build a stronger family through hands on adventures: A Parent and Leader’s Guide-Lion Requirements.

TIGER FIRST GRADE

The Tiger badge is earned after completing six required adventures, and one Tiger elective adventure, which includes a family-based “Duty to God” adventure. It takes about three den meetings to earn each adventure. Immediate recognition is earned after each completed adventure (belt loop). With a parent or guardian, all Webelos complete the exercises in the pamphlet How to Protect Your Children From Child Abuse: A Parent’s Guide, and earn the Cyber Chip award for their age.

**ARROW OF LIGHT** **FIFTH GRADE**

To earn the Arrow of Light, the Webelos Scout must complete four required adventures and three elective adventures. When joining in the 5th grade year, a boy is not required to earn Webelos first before earning Arrow of Light. Bobcat is still required. With a parent or guardian, all Webelos Arrow of Lights complete the exercises in the pamphlet How to Protect Your Children From Child Abuse: A Parent’s Guide, and earn the Cyber Chip award for their age. In a Webelos 5th grade year, he graduates from Cub Scouting into the adventure of Boy Scouting at an impressive graduation ceremony. Every boy deserves an opportunity to be a Boy Scout.

Please refer to denverboyscouts.org/popcorn for more information.
**Boys’ Life (Recommended)**

Boys’ Life Magazine has been around almost as long as boys have been Scouts. It is the only magazine especially designed for the Scout.

The mission of Boys’ Life magazine is to entertain and educate America’s youth and to open their eyes to the joyous world of reading. This is accomplished through a proven mix of news, nature, sports, history, fiction, science, comics and Scouting. A special edition is published for Cub Scouts, with age and program-specific content and feature articles. Boys’ Life is an entertaining blend of exciting stories and valuable information. Boys enjoy reading Boys’ Life. Parents can always be confident that the content of the magazine is wholesome, entertaining, and educational. Boys’ Life follows the Cub Scouting-recommended program themes each month. Boys’ Life subscribers achieve rank advancements faster and more often than nonsubscribers.

Make sure on your application you mark the Boys’ Life circle and put your correct mailing address. Your Scout will receive his first issue delivered directly to your home. This is one step you can take to make sure your son will receive a full year of great Scouting.
HOW TO GET STARTED . . . BASIC NEEDS

Contrary to what your son may tell you, the first thing he will need to get started is not a uniform, but a book. The books in Cub Scouting are related to his age. A kindergartner will need the Lion Book, a first-grader will need the Tiger Book, a second-grader will need a Wolf Book, a third-grader needs a Bear Book, and a fourth or fifth grader will need the Webelos Book. These books contain the basics he will need for the coming year, especially the requirements for that particular advancement award.

CUB SCOUT UNIFORM

The uniform is an important part of the program and it represents an investment on your part. Our uniforms are of very high quality and, in most cases, will last for several years. So, be sure to buy one large enough for him to grow into. If uniform assistance is needed please contact the Denver Area Council.

Kindergarten-aged boys start their Cub Scouting in a simple blue t-shirt with Lion logo and optional cap.

Most new Cub Scouts will have to buy a uniform and the Denver Scout Shop is the official distributor of BSA uniforms and equipment. It is located at the Hamilton Scout Headquarters on the first floor at 10455 W. 6th Ave., Denver, Colorado. Cub Scouts don’t require much more than this, but in Boy Scouts he will need to acquire personal camping gear for their many outings. The boys are encouraged to wear their activity shirts to school on the day of their Scouting meetings. The Cub Scouts especially enjoy this, and the activity shirts serve as school clothing one day a week.

Scouting provides you an opportunity to participate in an activity with your child, instead of sitting on the sideline. Scouting operates through volunteer leadership. Volunteer leaders are an example of Scouting’s principle of service to others. Naturally, parents are the primary source of leaders in the Scouting program. You volunteer not only to serve Scouting, but also to help your son and his friends, and to have the chance to be a positive influence on the youth in your community.

**SCOUTING & YOUR FAMILY**

Being a leader is fun, challenging, and rewarding. Leaders find that their experiences help them to become better parents. The following are some of the many dividends that will enrich your life as you dedicate your time, talents, and enthusiasm to Scouting.

- Fun and fellowship with other families, sharing your pride in the boys’ accomplishments
- The privilege of helping to enrich and strengthen families
- A chance to help boys learn good citizenship and to help shape them into men who have strength of character and are sensitive to the needs of others
- The opportunity to help make a difference in the lives of boys as they grow strong in mind and body
- A code to live by which will set a worthwhile example for both boys and adults
- The satisfaction of being a member of a worldwide movement, and pride in being publicly identified as a part of this organization – wearing the Scouting uniform is a visible means of showing you believe in and stand up for the ideals and objectives of the Boy Scouts of America

YOUTH PROTECTION TRAINING

The Boy Scouts of America places the greatest importance on creating the most secure environment possible for our youth members. To maintain such an environment, the BSA developed numerous procedural and leadership selection policies and provides parents and leaders with resources.

Youth Protection Training is available online at My.Scouting.org and in each district throughout the year. In order for an adult to remain a registered leader in the Boy Scouts of America, Youth Protection Training is required every two years.

POSITION SPECIFIC TRAINING

Position specific training is designed to present in-depth information for a new leader in a specific leadership position such as den leader, Cubmaster, etc. This course may be presented several times a year in your district or online. To complete training courses online go to My.Scouting.org and create an account.

To complete training courses online go to My.Scouting.org and create an account with your Member ID#. To participate in local trainings visit denverboyscouts.org/training for information.

The purpose of the Boy Scouts of America is to organize and support successful Scouting units by working through: 1) Character Development, 2) Citizenship Training, and 3) Personal Fitness (mental, physical and emotional). The purpose of the Council is to guide and support its Districts for the achievement of the movement’s purpose. The Denver Area Council encompasses seven Districts in 10 counties in the Denver Metro area.

The purpose of the District is to organize and support successful Cub Scout Packs and Boy Scout Troops by working through chartered organizations. The end result of effective District support is continued growth in membership and those members receiving a quality program.

Districts are responsible for carrying out four (4) standard functions:

1. Membership
2. Finance
3. Program
   - Cub Scout Activities
   - Scout Camping
   - Activities and Civic Service
   - Training
   - Advancement and Recognition
4. Unit Service
The District Committee serves as a vehicle by which Scouting programs and services are carried to the chartered organization, their units, and youth. It serves as a sounding board for the needs of chartered organizations and units. This enables the consideration of those needs as the Council program is planned. The District Committee also participates in the building and raising of the council budget to finance the program of Scouting. Since the major role of the Council and its Districts is to extend Scouting and to provide service to all youth and adults who participate, please feel free to call upon an appropriate representative when you need help.

“I don’t know of any time in my life when the Boy Scouts focus on values and building a more conscientious, responsible, and productive society is as needed as it is today.”
