Course Information

The Sanctuary Golf Course is the brainchild of RE/MAX International Co-Founder, Dave Lininger. Located in Sedalia, Colorado, just south of Denver, it is nestled in the foothills of the Rockies and surrounded by nearly 13,000 acres of dedicated open space.

Sanctuary was conceived as a golf experience that would gracefully balance exclusivity with accessibility. With its reputation as one of the most exclusive courses in the country, it has a commitment to preserving the natural terrain and wildlife that abound. That is why the Sanctuary limits the golf course to only 9,000 rounds per year by invitation only.

The Sanctuary's 18-hole course offers a challenging and exciting game of golf. The course is designed by famed architect Jim Engh, features felt-like greens that are large, undulating and play fast. Tree-lined fairways and strategically placed bunkers, water and green-side features present some enticing challenges for golfers. The Sanctuary's signature hole is the first, which is a lengthy par 5, with a 250 drop off the tee. It's a golfer's dream!

Club Dress Code Policy

The Sanctuary requires all players to comply with its dress code standards. Participants who are not properly attired will not be allowed to play.

- Men: Shirts with sleeves and collars (no tank tops or T-shirts)
- Women: No halter tops or tank tops
- Shorts: Must be mid-length or longer, and no "cut-offs"
- No jeans or gymnasium attire
