Scouting Impact Stories
Pack 127 in the Centennial District held a Memorial Day Ceremony at Fitzsimmons Community Center in Aurora. The Scouts wanted to Do A Good Turn and help the American Legion volunteers bring a military tribute to the veterans who were unable to pay their respects. The ceremony was complete with a color guard, a chaplain, and two buglers who played Taps.

Scouts from Crew 487 washed and detailed vehicles for our first responders as part of their scout fundraiser to attend Scout Camp this summer.
The Annual Sports Breakfast is the premier, sports related fundraising event in Denver celebrating Scouting values and youth character development. The event will bring together thousands in our community and throughout the nation to learn how Scouting impacts our youth and hear an inspired message from our keynote Steve Atwater.

The 44th Annual Sports Breakfast will be a virtual event featuring Scout impact stories, local sports celebrities, community leaders and newly inducted Hall of Famer Steve Atwater. Past sports stars have included: Champ Bailey, John Elway, Peyton Manning, Mike Shanahan, Wayne Gretzky, Brian Griese and Chauncey Billups to just name a few!

The mission of the Boy Scouts of America is to “Prepare young people to make ethical and moral choices over their lifetime by instilling in them the values of the Scout Oath and Law.” The Annual Sports Breakfast raises the funds needed to help us fulfill our mission to the youth of Colorado. Your support enables us to provide youth with positive life changing experiences allowing them to grow and achieve to their full potential.

Scouts in the Denver area provided over 200,000 hours of community service in 2019.

Scouting Impact Stories

Troop 317 in the Centennial District held a virtual food drive that was planned using Zoom. The Scouts and families wanted to Do a Good Turn and help the Parker Task Force Food Bank feed families who have been affected by the COVID-19 pandemic. The food drive was a huge success and three vehicles full of food were collected.

Troop 114 Girls held a virtual campout via Zoom. The meeting included a flag ceremony and standard opening. They played games, including Scout Bingo. Everyone planned a meal, cooked outside, and shared pictures of their dinner. They even had a Zoom campfire where they sang, told jokes, and ended with a Senior Patrol Leader Minute and vespers.
With your help, we can provide the life-changing, character development programs to thousands of youth in Colorado. Your support creates scholarships, fulfills equipment needs, keeps Scouts connected during these challenging times and makes camping programs possible...now more than ever when kids need a safe, outdoor experience. Help make a difference for the future leaders of our community.

All proceeds raised from the Sports Breakfast directly support youth programs from ages 5 to 20.
